

# WILD ABOUT SCIENCE

MITCHELL ODYSSEY FOUNDATION

# SYMPOSIUM

**SATURDAY, NOVEMBER 7TH / 2015**

**9:30 AM - 4:30 PM**

**SCIENCE WORLD AT TELUS WORLD OF SCIENCE**

1455 Quebec Street, Vancouver, BC V6A 3Z7

Educators from Odyssey Schools across British Columbia will meet at Science World in Vancouver to celebrate over 10 years of unique Odyssey Programs and innovative teaching strategies – and to explore new ways to inspire students in science, technology and mathematics.

## KEYNOTE PRESENTATION:

Louise Turner, President of the BC Premier's Technology Council (PTC) will share highlights of PTC initiatives to fuel the BC technology sector and the important role that educators have to expose students to technology innovation.

## ODYSSEY "WILD ABOUT SCIENCE" VIDEO CONTEST:

Odyssey schools are invited to create a 90 second video on the impact of their Odyssey Program on students, teachers and their school.

Winner of the \$2,500 prize will be announced at the Symposium.

OCT. 23, 2015: Submit your video to [ckristiansen@m-o-f.org](mailto:ckristiansen@m-o-f.org)

# 2015

# INVITATION

## ODYSSEY WORKSHOPS

will include Science World, Genome BC, HR MacMillan Space Centre, Oceans Networks Canada, and Uvic Earth and Ocean Sciences. Odyssey teachers will share their expertise during collaboration workshops to explore virtual learning resources, engineering innovation, GearBots Makerspace and littleBits prototyping tools that enable student to dream, invent and create.

## REGISTRATION:

Please register with [ckristiansen@m-o-f.org](mailto:ckristiansen@m-o-f.org)

**OCTOBER 13, 2015**
